EDUCATION

Our Gospel Value for this half term is:

## Compassion

EBC17 - Sports Day  
Refreshments

A fundraising refreshments stall will be running for parents during KS2 Sports Day on Friday 19<sup>th</sup> May. The stall will run all day serving tea, coffee and cake and towards the end of the afternoon we will be selling a variety of ice creams and lollies.

The stall will be run by some members of a group of 30 women who are trekking to Everest Base Camp in October. We are aiming to raise £120,000 in support of two charities. The first is FAB which supports bereaved military families and CAN which builds homes in the areas devastated by earthquakes. All money we raise is going to these two deserving charities. Please feel free to come and talk to us to find out more.

As our thoughts slowly turn to next year, I wanted to put your minds at ease regarding the Year 5 residential trip. There **will be** a residential and we will organise a Parent Information Evening during the Autumn Term. We are hoping to book a few days away during the Summer Term of 2018. We are already looking forward to it!

### E-Safety

It has come to our attention that there is a new app called "Blue Whale", which is a virtual suicide game.

The challenges on the app become more sinister and gain momentum as they progress, becoming more dangerous and potentially ending in the suicide of the young person.

There is no evidence that this app has been accessed by our children but we are aware that some children at Bishops have been discussing this.

We would always advise vigilance with young peoples' access to technology and feel that it is important information for you to act upon if it becomes necessary. You will be able to recognise the app as its symbol is a blue whale.

If you would like more information about this, please speak to a member of staff.

Many thanks,

Mrs Bagley

Please note the revised date for "A Little Summer Night's Music". The joint choir concert will now be held on Wednesday 12<sup>th</sup> July at 6:30pm, not Thursday 13<sup>th</sup> July. More information will follow nearer the time. Many thanks for your understanding.

# well done

Well done to all of the pupils in Year 6 for facing a week of SATs tests with calm determination, fuelled by the superb breakfasts supplied by our very kind Site Manager, Mr Poole. Enjoy a relaxing weekend and we look forward to continuing with our exciting, creative curriculum of work on Monday.

In Reception we have designed a new race for our Infant Sports day and would really appreciate the use of any children's wheelbarrows for the next couple of weeks. If you have a wheelbarrow which you are happy for us to borrow, please bring it to the Reception classrooms on Monday. Many thanks in advance, Mrs Croot & Mrs O'Connor

# GOOD LUCK!

Last term, the members of chess club took part in the De Lancey Chess Challenge. Congratulations to every one of the members who all achieved enough points to win a badge and mascot. Some of the children (Jude Spencer, Robert Bell, Finley Collins, Toby Diggle, Jake Morris, Brett Clarke, Carlos Patterson-Navarro, Heidi Fish and Heidi Clarke) also achieved enough points to reach the next stage - a County Chess Tournament at Hereford Cathedral School this Sunday 14th May. Good luck to all who are able to participate, and well done for achieving this. We hope they enjoy representing St Paul's School and playing the best chess players in their age range from schools in Herefordshire and Shropshire.
