Head Teacher: Mr A Teale BSc (Hons) PGCE

21st July 2017

Dear Parents and Carers,

LIVING VALUES
EDUCATION

Our Gospel Value for this half term is:

Friendship

In the final worship of the year in church today, we thought about the huge oak branch that fell this week. There is now a large space where the branch used to be. Although the 400 year old tree will never be *quite* the same again, there will be new growth and fresh foliage that fills the space. St Paul's Primary will never be *quite* the same again after our lovely year 6 (and one or two other) children have moved on but, just like the old oak, there will be new growth as the children move though the school and we welcome 60 new children into reception in September.

We wish everyone that is leaving us all the very best for the future as they take the exciting next steps forward in their education. We wish Mr Vaughan all the very best for his new role at St Thomas Cantilupe next term. We would also like to wish all of the children and families a very happy summer break.

I Shall Pass

I shall pass through this world but once.

Any good therefore that I can do or any kindness that I can show to any human being let me do it now.

Let me not defer or neglect it, for I shall not pass this way again.

Amen.

With summer blessings from,

Mr Teale

Superb Sponsors

I am absolutely delighted that we have raised £2984.93 and money is still coming in. This means that everyone at New Rock foundation School who needs a free school meal will be able to have one for the whole year! This is a fantastic response, thank you.

Mrs Howard

We do appreciate you so much for your tireless effort of supporting our school in various ways.

We are very grateful to the Management, Staff, Learners, Parents and Guardians of St Paul's Primary School Hereford for standing with us. We thank those who were recently involved in the fundraising run or marathon and our young man, Noah, who ran sometime back to raise funds for our school that partly helped us to construct the school kitchen.

We are sorry for the communication that has been irregular between our schools. We want to make sure from this term onwards that we become more active at relating and communicating with each other more regularly and consistently.

We have scanned and sent those letters with for each class to their counterparts there at St Paul's. I pray they are visible and clear enough to be recognised and read.

The letters and photos you sent us this term through Mrs Sue Gasston were excellent, children and staff enjoyed and shared them, then hang them in respective classrooms.

It is wonderful the amount of money you were able to raise for our school. We thank all those who contributed. Thank you so much for your love, care and faithfulness.

May the Lord prosper you more.

Deo Musoke (Principal of New Rock Foundation School, Uganda)

Miss Baker

Our crash courses run as one half hour lesson per day for one week Monday-Friday (5 x 30 minute lessons in total).

We accept virtually any ability of swimmer so long as they are 0.9m or taller to their chin. All our usual premier quality principles apply to our crash courses, including:

MAXIMUM of 4 children per class

Handpicked instructors, teaching from in the water with your child

- Feedback after each session
- Typhoon Rapid Teaching Method - you won't find it anywhere else!
- 5 day intensive courses produce massive progress

Typhoon guarantees your child will never have a class size of more than 4 swimmers (inclusive of your child).

Our Rapid teaching system is exclusive to Typhoon: we have streamlined teaching swimming and have created a truly unique approach to teach swimming FAST. Our teachers instruct from in the water and will often lead by example:

demonstrating the technique accurately so that children can copy. In short, we won't be beaten on quality.

If you would like to attend our 5-star rated courses, please contact us as soon as possible to avoid disappointment.
